**General Manager**

Greetings full of love and respect to our members,

Greetings to those of you who would like to join the membership of Al Hayat Medical Centers,

Realizing and true to the mission of Al Hayat Medical Centers "to provide integrated health care services"

We are delighted to present you with the website of Al Hayat Medical Centers with all its branches in East Jerusalem to define the mission and goals of our centers and what characterizes our outstanding medical services for your health. The site contains the doctors' working hours in the branches of the centers and the health and medical services available in the centers. This website also aims to keep continuous contact with you and present you with a wide range of medical and health advice and guidance for all patients in all departments.

With the arrival of another year, Al Hayat Medical Centers enters 22 years of benevolent work in the field of primary health care services in the city of Jerusalem. Al Hayat Medical Centers is an extension for Peace Medical Centers founded in 1990 which culminated with the establishment of Sheikh Jarrah Center- considered the best center in the country. The center received a certificate of excellence from the municipality health for three consecutive years. We are still striving to live up to the highest international professional standards in the field of primary health care.

We still plan to further develop and modernize our medical equipment at the highest levels; in order to
